## 2024 Tassie Tour Bookings Now Open

[Book Now](#)

We are excited to announce our bigger, better and **faster** 2024 Tassie Tour!

For the 2024 event we have teamed up with Race Tasmania to provide exclusive corporate access to their race event IN ADDITION to driving two racetracks with professional instruction - helping you enjoy the challenge of new tracks - as well as driving Targa roads. In between the driving we will experience great food at our group dinner, road drive café stop and winery lunch.

Our Tassie Tour is a fantastic way to explore this amazing island and enjoy driving your car. There are some great people to meet and we encourage guests/partners to join this tour. Guests/partners will enjoy the atmosphere of each of the Performance Drive Days and all of the track activities as well.
