

## RACE TASMANIA – BOAT BOOKINGS

Regarding shipping for Race Tasmania, each team will need to make their own arrangements. However, we have prepared the below information to assist with your bookings:

### SPIRIT OF TASMANIA

Please contact:

**Viviana Lopez**  
Freight Services Administration Co-Ordinator

**T:** +61 3 8592 3230

**E:** [viviana.lopez@spiritoftasmania.com.au](mailto:viviana.lopez@spiritoftasmania.com.au)

**W:** [spiritoftasmania.com.au](http://spiritoftasmania.com.au)

Some of the information they will require:

- Will all the cars travelling with drivers?
- Will you be flexible with the dates or do you have specific dates to travel each direction?
- Will it be just cars or cars with trailers or trucks?

Crew can travel on the boat with a car/trailer/truck.

### SEAROAD

For Searoad please go online to their website and request a quote. They will come back to you in 2 to 3 days with costing and sailing availability.

Website: [SeaRoad – keeping Tasmania connected](http://SeaRoad – keeping Tasmania connected)

Please note space is limited for crew to travel on Searoad. The best option is for your transporter to be dropped off at Searoad in Port Melbourne and then your truck driver to head to Melbourne Airport and fly to Davenport on the same day. Qantas provides a direct service to Davenport several times daily, and there are several accommodation options close to the boat terminal.

Searoad are happy to take both trucks and trailers.
