

TEAM NOTES

Round 4, Race Tailem Bend – Shell V-Power Motorsport Park

May 31 – June 2, 2024

Dated: 26 May 2024 | Issue 1

ACCREDITATION Each entry will need to apply for Motorsport Australia digital accreditation via the link provided in event update emails. Each entry is entitled to ten (10) Series or single event passes.

<https://motorsport.e4m.cloud/accreditation>

ARM BANDS Allocated 3 per vehicle (2 pit crew & 1 car controller). Please ensure these are worn during all sessions to comply with item 13.8.3 in the TCR Sporting Regulations.

BUMP IN TCR team transporters are permitted to park up from **Thursday, 30th May from 1000**. Please inform your truck driver to call me prior to arriving onsite.

BUMP OUT Transporters must stay stationary until 30 minutes after the last on track session Sunday.

DOCUMENT CHECK All licences have been checked prior to the race meeting. All competitors must carry their valid Motorsport Australia licence & club membership card and present it to Motorsport Australia officials if requested.

All outstanding paperwork will be collected by Lisa or an ARG staff member on Thursday afternoon.

DRIVERS BRIEFING The compulsory Drivers Briefing will be held on **Friday, 31st May at 0830 in garage 24** in the pit lane to the right of the Welcome Centre (not as per Further Regs)

DSA Chris Pither will be the Driving Standards Advisor.

FORM UP All vehicles will commence every session from the designated area at Pit Exit in the order outlined in the Team Schedule. Exact timings will be shared once the Min x Min is released.

FUEL is supplied by Race Fuels; the onsite contact is Matt Smith – 0490 736 407

GARAGES As per allocations available on the TCR Team Centre. Garages are 3.5m x 6m. Garage walling is at the discretion of the team to maximise their space.

PARKING passes will be distributed on Thursday. Please refer to the paddock map for P1 parking.

PARC FERME Will be confirmed by the TCR Australia Series Technical Delegate Geoff Riddle. Geoff will be offsite on Saturday and Neil Price will step in to assist.

PIT LANE DISCLAIMERS only NEW personnel will need to complete the Motorsport Australia Disclaimer and return it to me prior to the first on-track session.

PODIUM will be held for the top 3 drivers at the podium in the activation area post-each race. The overall round podium will conclude the weekend. Other TV commitments such as stop area interviews are listed in the team's schedule and will be communicated via RMC.

RACE DIRFECTOR David Stuart will be the TCR Race Director.

RACE MANAGEMENT CHANNEL (RMC) is mandatory for all teams to be tuned into the RMC during all sessions. The RMC frequency will be confirmed shortly.

Frequency: **471.750 tone : D145N.** *This is a listen only channel.

REQUEST FOR INVESTIGATION FORM A RFI must be lodged via the TCR App as per 13.12.5 of the TCR Series Regulations.

SERIES STICKERS & PATCHES are required to be in place before Practice 1. Please inform me of replacement decals you require.

SPORTITY Info: SS24COMP | **Noticeboard:** MSA24

TCR MESSAGING APP will be used as the official communication between category management, senior officials and teams. A team member must monitor the app at all times RMC is in use. Please inform Lisa if you require crew added to the platform.

TENDER VEHICLES Including golf buggies are permitted as per the criteria in Item 17 of the Supp Regs. Buggies and trolleys must enter and exit the pit lane via pit entry road.

TRACK WALK The track walk window is between **1700 – 1900 on Thursday, 30th May**. The use of motorised buggies will be permitted. Refer to item 10 in the further supplementary regulations. Sunset is 1710.

TYRES The Kumho Tyre Compound will be located beside the TCR Paddock. Contact the reps below.
