

TEAM NOTES

Round 5, Race Queensland – Queensland Raceway

August 2 – 4, 2024

Dated: 24 July 2024 | Issue 1

ACCREDITATION Each entry will need to apply for Motorsport Australia digital accreditation via the link provided in event update emails. Each entry is entitled to ten (10) Series or single event passes.

<https://motorsport.e4m.cloud/accreditation>

ARM BANDS Allocated 3 per vehicle (2 pit crew & 1 car controller). Please ensure these are worn during all sessions to comply with item 13.8.3 in the TCR Sporting Regulations.

BUMP IN TCR team transporters are permitted to park up from **Thursday, 1st August from 0800**. Please inform your truck driver to call me prior to arriving onsite.

BUMP OUT Transporters must stay stationary until 30 minutes after the last on track session Sunday.

DOCUMENT CHECK All licences have been checked prior to the race meeting. All competitors must carry their valid Motorsport Australia licence & club membership card and present it to Motorsport Australia officials if requested.

Passenger ride disclaimers will be collected prior to the commencement of the session.

DRIVERS BRIEFING The compulsory Drivers Briefing will be held on **Friday, 2nd August at 0730** in the drivers briefing room behind the paddock.

DSA Chris Pither will be the Driving Standards Advisor.

FUEL is supplied by Race Fuels; the onsite contact is Sean Scott – 0417 368 543

GARAGES As per allocations available on the TCR Team Centre. I have tried my best to provide garaging to teams who missed out in previous years.

PARKING passes will be distributed on Thursday. Please refer to the paddock map for P1 parking.

PARC FERME Will be confirmed by the TCR Australia Series Technical Delegate Geoff Riddle.

PIT LANE DISCLAIMERS only NEW personnel will need to complete the Motorsport Australia Disclaimer and return it to me prior to the first on-track session.

PODIUM will be held for the top 3 drivers at the podium in the activation area post-each race. The overall round podium will conclude the weekend. Other TV commitments such as stop area interviews are listed in the team's schedule and will be communicated via RMC.

RACE DIRECTOR David Stuart will be the TCR Race Director.

RACE MANAGEMENT CHANNEL (RMC) is mandatory for all teams to be tuned into the RMC during all sessions. The RMC frequency will be confirmed shortly.

Frequency: **471.750 tone : D145N.** *This is a listen only channel.

REQUEST FOR INVESTIGATION FORM A RFI must be lodged via the TCR App as per 13.12.5 of the TCR Series Regulations.

SERIES STICKERS & PATCHES are required to be in place before Practice 1. Please inform me of replacement decals you require.

SPORTITY Info: SS24COMP | **Noticeboard:** MSA24

TCR MESSAGING APP will be used as the official communication between category management, senior officials and teams. A team member must monitor the app at all times RMC is in use. Please inform Lisa if you require crew added to the platform.

TRACK WALK The track walk window is between **1725 – 1825 on Thursday, 1st August.**

TYRES The Kumho Tyre Compound will be located beside the TCR Paddock. Contact the reps below.
